WEAR IT PINK

BREAST CANCER NOW The research & care charity

October is breast cancer awareness month. On Friday the 23rd October we will be "Wearing it Pink" to raise money for Breast Cancer Now. By doing this we are raising money to help to fund vital campaigns pushing for more people to get diagnosed earlier enabling them to get treatments and be supported to live well.

Information and donation pots will be at the surgery from the 19th October, culminating in us donning our finest pink on the Friday.

Those eligible for the flu vaccine include

- pregnant women
- all children aged 2 or 3 years on 31 August 2026
- *primary school and secondary school-aged children (from reception to year 11)* ***Given at school***
- *(individuals 17 years and over attending a special education needs (SEN) school and who are in a clinical risk group may also be vaccinated alongside their peers)* ***Given at school***
- all children in clinical risk groups aged from 6 months to less than 18 years
- those aged 65 years and over
- those aged 18 years to under 65 years in clinical risk groups
- those in long-stay residential care homes
- carers in receipt of carer's allowance, or those who are the main carer of an elderly or disabled person
- close contacts of immunocompromised individuals
- frontline workers in a social care setting without an employer-led occupational health scheme.

Our Paediatric CPR & First Aid session was really well attended, 25 people came, a mix of parents, grand-parents and carers who learned how to give first aid should such a situation arise!

Thank you to everyone who helped organise the event and to Friends of Hastings House for funding it.

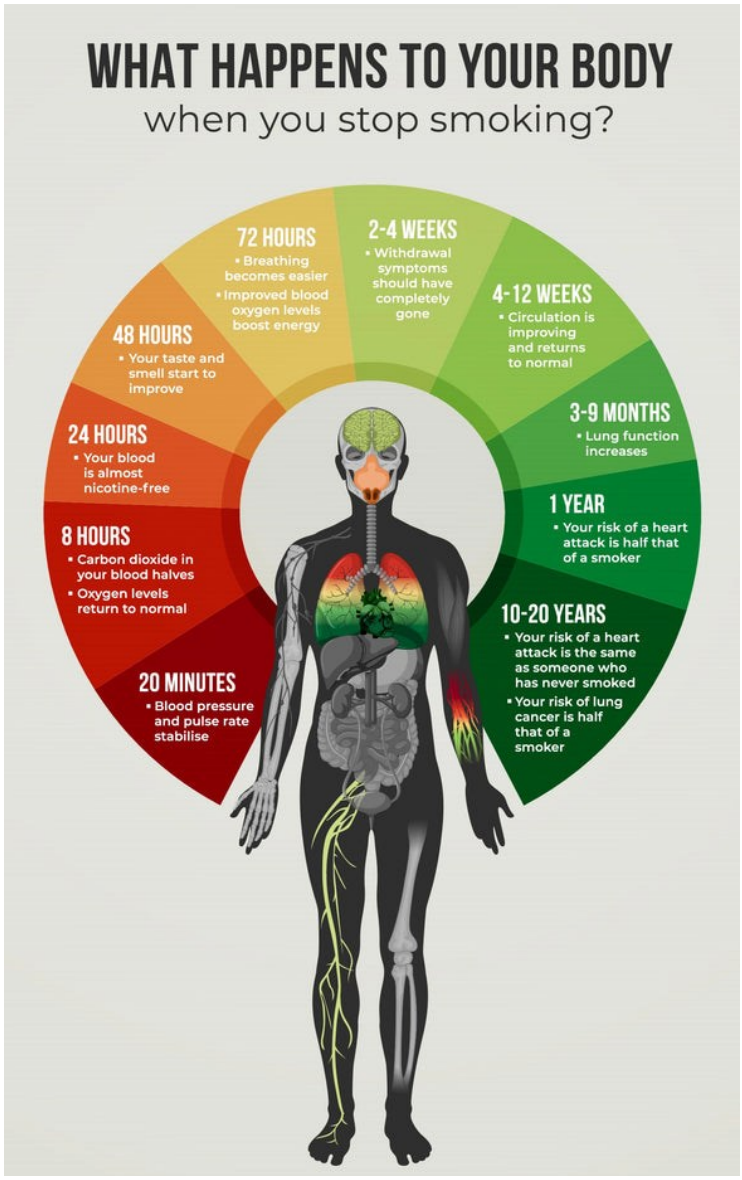

HASTINGS HOUSE MEDICAL CENTRE

This month has been labelled Stoptober! If you are looking to make the leap and quit smoking then we can help. Fill in an admin eConsult on our website and we will pass your information on to our local smoking cessation team who will contact you to offer support.

If you have issues with your NHS App you can either pop along to the surgery or phone us to speak to our NHS App expert Sherree who will be available to provide assistance with any issues on Tuesday and Friday afternoons.
